Product Details

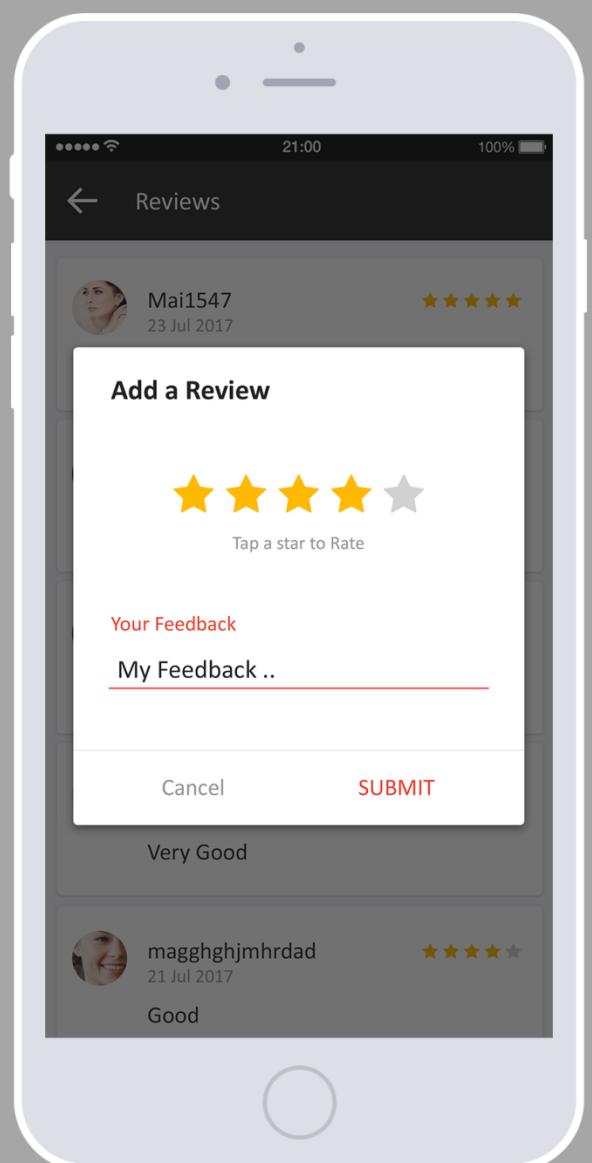

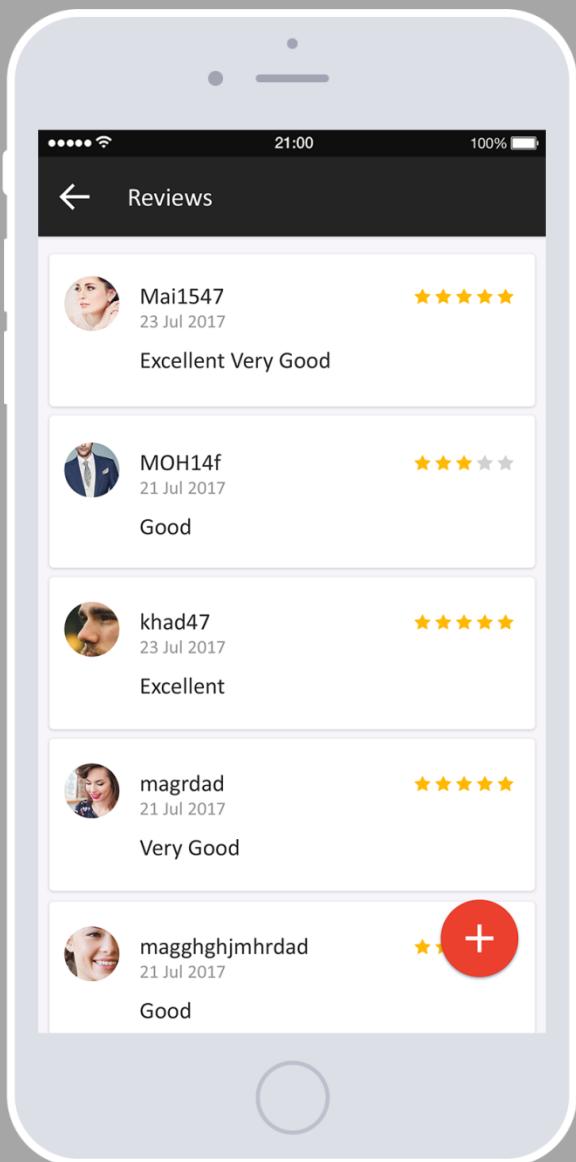

The smartphone screen shows a product detail page for the Canon PowerShot SX60 HS. At the top, there's a navigation bar with a back arrow, the text "CANON POWERS...", and icons for sharing, adding to cart, and more. Below the navigation is a large image of the black Canon PowerShot SX60 HS camera. Underneath the image are five small circular dots, likely indicating a scrollable gallery. Below the image is a horizontal navigation bar with categories: Canon, i-SENSYS MF8280Cw, PowerShot, and SX60. The main content area starts with the product name "CANON POWERSHOT SX60 HS" in bold capital letters. Below it, the text "Availability: 5" is displayed. A price section follows, showing "116.000KD" in red and "119.900KD" in smaller text. To the right of the price is a 5-star rating icon with "(6)Reviews" and a right-pointing arrow. Below this are two large green buttons: "CHECKOUT" and "ADD TO CART". Under the "CHECKOUT" button is a small heart icon. The next section is titled "DESCRIPTION". It contains the brand information "Brand: Canon" and "Product Code: Canon PowerShot SX60 HS". Below this is a descriptive paragraph: "Explore detail at a distance. Zoom into the exquisite detail of distant wildlife. Capture stunning ultra-wide landscapes with this hugely versatile and gifted 65x Wi-Fi bridge camera, which combines fun with expert control." At the bottom of the screen, there's a large circular placeholder for a video or another image.

The smartphone screen shows the same product detail page for the Canon PowerShot SX60 HS, but with a different focus on the reviews and related products sections. At the top, the navigation bar includes a back arrow, the text "CANON POWERS...", and icons for sharing, adding to cart, and more. The main image of the camera is visible above the product name "CANON POWERSHOT SX60 HS". Below the name, the text "Availability: 5" is shown. The price section is identical to the first phone: "116.000KD" in red and "119.900KD" in smaller text, with a 5-star rating icon and "(6)Reviews" to its right. Below the price are the "CHECKOUT" and "ADD TO CART" buttons, each with a small heart icon. The "DESCRIPTION" section is present but less prominent. The "REVIEWS (6)" section is highlighted, showing two reviews. The first review is from a user named "Mai1547" (profile picture of a woman) posted on "23 Jul 2017", rated 5 stars, and described as "Excellent Very Good". The second review is from a user named "MOH14f" (profile picture of a man) posted on "21 Jul 2017", rated 5 stars, and described as "Good". Below the reviews is a "View All" link. The final section shown is "RELATED PRODUCTS", featuring three items: "CANON EOS 70D BODY" (248.000KD), "CLI-451BK XL" (6.400KD), and "CANON EOS 700D + 18-55 DC" (139.000KD). Each product has a small image, a title, a price in red, and a 5-star rating icon.
